Visiting Abruzzo for the first time? This label describes exactly how to fully live the Abruzzo tradition: drink the king of Abruzzo red wines. Eat the famous Arrosticini, skewers of sheep meat, and cook them on the one and only "Fornacella".

Intense ruby red in color, the nose expresses notes of red jam, raspberry, and blueberry. In the mouth, it is full and enveloping.

Harvest

Hand-harvested during the first ten days of October from certified organic vineyards. Optimal sun exposure and diurnal temperature variation ensure a superb final product.

Winemaking

Occurs in temperature-controlled stainless steel tanks, followed by malolactic fermentation and bottling under total absence of oxygen.

Nose

Intense red fruits and floral notes of blackberry, black cherry, undergrowth, rose, and a delicate vinous hint.

Flavour

Dry with good acidity well-integrated into the body, and silky tannins in perfect balance with alcohol content and softness. Pulpous and persistent, it confirms the aromatic profile, leading to a persistent savory finish.

Food Pairing

Serve at 16-18°C. Perfect for aperitifs, appetizers, roasted and grilled meats, vegetarian dishes, and medium-aged cheeses.
