Serving temperature

6-8°C

Washer and socks: a humble duo proving harmony blooms in the everyday. Their work brings order and freshness a simple comfort.

A clarity mirrored in our Pinot Grigio, with its brilliant straw yellow and crisp apple and pear notes.

Harvest

From an old, Guyot-trained vineyard in Abruzzo's prime area, this magnificent Pinot Grigio benefits from ideal sun and temperature. Hand-harvested in late August with utmost environmental care.

Winemaking

White vinification in stainless steel tanks and subsequent ageing for 6 months in stainless steel tanks.

Nose

Intense and very fragrant, with energetic fruity and floral scents of apricot, peach, citrus, acacia, jasmine.

Taste

A good freshness, supported by an intense sapidity, mitigated by a rebalancing warmth and softness. In tune with the nose and a long, mineral finish.

Food Pairing

Serve chilled at 6-8°C. Excellent with aperitifs, seafood, vegetarian dishes, white meats, and fresh/medium cheeses. Try it with salmon rolls, taleggio risotto or ricotta and spinach pie.
