The "Carrot-and-Stick" label reinterprets an old Italian saying about persuasion, traditionally characterized by reward and punishment. Here, the artist's aim is to break down this perceived division, bringing these opposing forces together.

This soft pink wine offers intense, endless aromas of spring fruit, embodying a harmonious blend.

Harvest

Hand-harvested in the second week of September from certified organic vineyards. Optimal sun exposure and diurnal temperature variation ensure a superb final product.

Winemaking

Rosé vinification occurs in temperature-controlled stainless steel tanks, followed by bottling under total absence of oxygen.

Nose

Penetrating and enveloping, highly fruity and floral, with notes of cherry, plum, raspberry, redcurrant, and wild rose.

Taste

Dry and full-bodied, it offers a perfect balance between crispness and softness, thanks to its freshness and pleasant roundness. Intriguing wild strawberry notes join the aromatic profile, leading to a long, delicately savory finish.

Food Pairing

Serve at 8-10°C. Ideal for nearly any dish: aperitifs, seafood, white meats, pizza, vegetarian options, and fresh to medium-aged cheeses.
