

VERMENTINO DI SARDEGNA
DOC

Appellation: Vermentino di Sardegna DOC

Grape variety: Vermentino 100%, a Mediterranean grape which spread along the coasts of Northern Tyrrhenian sea and then established itself in Sardinia.

Vineyards average age: 10 years

Production area: In the South-East part of the region, surrounding the village of Castiadas.

Soil: Granite weathering located on the coast about 7 meters above sea-level.

Harvest: The grapes are manually picked, respecting the traditional way, in early September.

Wine-making: Soft pressing, cold settling and fermentation of the first press juice at controlled temperature for about 15 days.

Alcohol content: 13%

Colour: Straw yellow with bright greenish reflections.

Bouquet: Quite intense, fine and persistent with clear notes of white peach and yellow plum, followed by notes of citrus and vanilla.

Taste: Good intensity and minerality with a scent of fruit and the typical almondish clean finish.

Food pairing: Light appetizers, salads, seafood (clams, lobster, shrimps, oysters) and fish dishes. Excellent as an aperitif.

Serving temperature: 10/12 °C

Serving glass: Quite large goblets to enhance the aromas.
