AGING	6 months in second and third use French oak barrels.
ALCOHOL	14 %
SERVING TEMPERATURE	62° F

TASTING NOTES

This Cabernet Sauvignon was harvested at the peak of maturity and a long maceration of the wine on its skins after ferment; give this wine an intense ruby red color and complex fruits aromas with cassis, cherry, pepper and a background of vanilla and tobacco. A wine with good structure and long finish with sweet and ripe tannins.

Grapes are hand harvested, aged in French and American oak barrels for a minimum of 6 months. Pairs well with Cheeses like Aged Cheddar, Aged Goudas, Blue Cheese or Parmigiano Reggiano. Meats like Lamb Steaks and Hearty Stews.
